**WATER WORKS CONSTRUCTION ON SCUDDER AVENUE AND  
CRAIGVILLE BEACH ROAD IN HYANNIS PORT**

**HYANNIS, MA** - The Town of Barnstable Department of Public Works' Water Supply Division will be continuing a water works construction project that will improve the water quality and fire flows for customers of the Hyannis Water System.

This project will replace and upgrade approximately 3300 feet of water mains on Scudder Avenue and Craigville Beach Road from Wachusett Avenue to Straightway. Included in the project are the replacement of valves, fire hydrants and customer water services up to the property line. A temporary water bypass system will be installed in some locations to maintain a continuous supply of water during this project. The major work is anticipated to be done this year, and final paving to be completed in the spring of 2016.

There may be brief periods of water service interruption the area, Prior to any anticipated service interruption, residents will be given 48 hours notice by the contractor. The specific notices will be distributed to the residents affected by shut-downs, indicating time and day of each shut-down.

For questions relative to this project call Michael Gorenstein, Project Manager, at (508) 775-0063.
