**ROAD SURFACE MILLING AND PAVING  
FLINT STREET, MARSTONS MILLS**

The Department of Public Works will be performing roadway improvements on Flint Street in Marstons Mills (from Osterville - West Barnstable Road to Route 149) beginning on Wednesday, September 28, 2016. Improvements include milling and reclaiming of existing roadway surfaces, drainage system repairs, and new asphalt pavement surfaces. Work is expected to be completed by Friday, October 21, 2016, weather permitting.

Vehicle access during construction operations will be restricted to one lane. Motorists are advised to seek alternate routes to avoid the construction work.

Operations will start promptly at 7 AM and run until 5 PM, after which time traffic will be opened back onto both lanes of the roadway.

As always, please slow down and use extreme caution when traveling through the road construction areas and follow posted safety signs.
