ROAD WORK
RTE 28 (Falmouth Road) at BEARSE'S WAY

The Massachusetts Department of Transportation (MassDOT) will continue their roadway improvements for the 'Route 28 Intersection Improvements at Bearse's Way' starting Tuesday, September 5th. The project includes traffic signal and pedestrian improvements, constructing retaining walls and medians, and road widening.

Traffic during construction operations will be delayed and motorists are advised to seek alternate routes to avoid the construction work. Specific traffic detours will be communicated as the work progresses and as updated information becomes available.

The work hours will be between the hours of 6:30AM and 5:00 PM, Monday through Friday.

As always, please slow down and use extreme caution when traveling through the road construction areas and detour routes and follow posted safety and detour signs.
