Sewer Camera Inspections **Route 6A, Barnstable**

As part of the Water Pollution Control Division's on-going sewer inspection program, the Town's consultant will be conducting camera inspections of the existing sewer system on Route 6A. This work will be performed from Tuesday, November 13th to Friday, November 16th. Police details will direct motorists around the inspection crews. Motorists can expect altered traffic patterns and minor delays during the inspection period.
