**ROAD SURFACE MILLING AND PAVING
OSTERVILLE-W. BARNSTABLE ROAD**

The Department of Public Works will be performing roadway improvements on Osterville - West Barnstable Road in Marstons Mills (Old Falmouth Road to Race Lane) beginning on Friday, September 9, 2016. Improvements include milling of existing roadway surfaces, drainage system repairs, and new asphalt pavement surfaces. Work is expected to be completed by Friday, September 23, 2016, weather permitting.

Vehicle access during construction operations will be restricted to one lane. Motorists are advised to seek alternate routes to avoid the construction work.

Operations will start promptly at 7 AM and run until 5 PM, after which time traffic will be opened back onto both lanes of the roadway.

As always, please slow down and use extreme caution when traveling through the road construction areas and follow posted safety signs.
