ROAD WORK

RTE 28 (Falmouth Road) NEAR BEARSE'S WAY

The Massachusetts Department of Transportation (MassDOT) continues their roadway improvements for the 'Rte 28 Intersection Improvements at Bearse's Way' as scheduled. The next detour of traffic will be Wednesday, October 31st from 7:00AM until 12:00PM.

On Wednesday, October 31, 2018, the westbound lane of Route 28 will be detoured at the intersection of Route 28 and Bearse's Way. Traffic will be directed north on Bearse's Way, then directed southeast down Pitcher's Way. The end of the detour will occur as traffic migrates back to Route 28. Traffic to local businesses will be allowed access. This detour will end approximately at noon on Wednesday, October 31, 2018.

Traffic during construction operations will be delayed and motorists are advised to seek alternate routes to avoid the construction work.

As always, please slow down and use extreme caution when traveling through the road construction areas and detour routes and follow posted safety and detour signs.
