*The Mission of the Glenna Kohl Fund for Hope is to carry on Glenna's work to increase awareness of the Cape Cod community to the importance of early detection and prevention of melanoma and to support those fighting this deadly disease. Their Vision is a world where melanoma takes no lives. Over the past several years, Glenna's Fund has provided lifeguard canopies at all Town of Barnstable beaches and sunscreen at those beaches for the general public. The Community Shade Structures at Dowses and Craigville Beaches are a continuation of their efforts.*
