Dear Prospective Donor,

For the last thirteen years, the Hyannis Fourth of July Parade has been an annual flagship event for the village of Hyannis and the Town of Barnstable community. This year, the Town of Barnstable along with the Town of Barnstable Fourth of July committee, is pleased to introduce the all new Town of Barnstable Fourth of July Celebration!

This new annual event builds upon the many years of success and includes six full hours of jam-packed, nonstop programming and family-friendly entertainment. From the east end to west end of Main Street and down to the waterfront, residents and visitors alike will enjoy the annual parade, concerts, and fireworks, as well as all new additions such as street performers, musicians, family games, jugglers, face painting, free trolley rides around the Village Green, and so much more. In addition, the Fourth of July Committee is increasing the advertising and marketing reach with new posters, enhanced media partnerships, and an increased online presence. It is truly the goal of the Town of Barnstable Fourth of July Celebration to create the village of Hyannis and the Town of Barnstable as the premiere destination for the Fourth of July on Cape Cod.
