SANDY NECK NEWSLETTER

November 2023

From the Staff,

It seems fall might finally be upon us. With the changing of the season comes many exciting things to look out for at Sandy Neck!

Rafts of thousands of scoters (sea ducks) have already been seen floating on the ocean. Now is also the time of year when snowy owls may start to show up to spend the winter on the Cape. If conditions are right, we may even have cold stunned sea turtles strand on the beach.

Upcoming Events!

- November 15th | Deer Hunt Meeting (Archery)
7pm Centerville Recreation Building
- November 20th - 25th | Deer Hunt (Archery)
