Chair Parker welcomes new committee member Ron Matros. Ron thanks Fred and the board for the opportunity and gives a brief history of his experience regarding golf.

Chair Parker gives some info on the meeting tonight and then hands it over to Bruce

Director of Golf Maintenance Report – Bruce McIntyre

Bruce gives a recap of the harsh conditions this summer that the maintenance staff has had to deal with this year and compliments them all on a job well done.

Director of Golf Report – Bruce McIntyre- the Member Guest was sold out and a huge success, we also hosted the Dolly Sullivan Golf Tournament at Hyannis and got some good press out of it. Very busy still on the weekend, most weekends are sold out. Bruce discussed a meeting he had to go over the 2020 budget coming up and the Capital Improvement Project coming up over the next 5 years.

Financial Update – McIntyre- as a whole we are up year to date, the good weather has certainly helped. Rounds are up 1500 so far but on 78 of those are fee paying rates. We are starting September strong and hope it continues into the fall.

Continued Discussion of Fee Rates for 2019- Bruce hands out the Community Services Department Golf Division Rate and Fee packet (Exhibit#1) to the committee and reads portions of it. Fred asked about the turf equipment. John Cookson asked about the retirement plan numbers. Fred asked about the resident rate. Numerous rates discussed by the committee. Ron Matros suggested having a much higher rate, it is the best deal on Cape Cod.

Determination of need for a special meeting on Sept. 27 @ 5:30 PM and start time for October meeting.

After discussion it was decided that there will be another meeting on September 27th
