**Motion duly made by Keith Hochstein to approve the minutes of the April 9<sup>th</sup> 2019 meeting.  
Seconded by Richard Aliberti**

### **Vote: so voted unanimously**

Course Operations Update – Merry Holway and Jesse Schechtman

Merry Holway- The course had a strong April, pro shops are looking good and are fully stocked and we can also make special orders. Mid-June we will be starting the Wednesday nine and dine at Olde Barnstable. The website is now set up so you can sign up for most member tournaments with a credit card. Please check the website for the daily news ticker for updates. Also do not forget to check the bulletin boards for events and changes. Merry thanks her staff and asks the committee to bear with the new seasonal employees that have been hired. Geoff asked about MGA events at the clubs. Jesse replied there is a qualifier at each club this year. Jesse added a few more points about Quota at Hyannis which is up and running and a few of the upcoming tournaments. Fred asked about the rules seminar. Jesse said it went well and about 70 people attended. Keith asked Jesse if there are starters at Hyannis. Jesse- starters are just on Mondays right now to help manage quota. Fred asked Merry about having a senior yardage on the scorecard and Merry said she would look into it.

Director of Golf Report – McIntyre

-The HVAC work and other issues with the pipe break are all almost complete at the Hyannis Clubhouse. The first reading of the 2020 Budget will take place this Thursday. The FY 2020 budget is up 3.9 % over from FY 19. Despite the tough weather of April we made the numbers and were able to aerate when scheduled.

Director of Golf Maintenance Report – White

-The weather has been challenging and hopefully the sun will show itself so the greens will start to fill in. The greens mowers have been lowered to the season height. When the weather cooperates we will attempt to aerate tees and fairways that need it. Both irrigations systems are up and running. The work we did on the third hole at Hyannis should start to fill in good with all the aeration plugs we have put in. Hyannis has installed reflection tape on the pins for laser yardage devices.

Follow-up on Workshop items –

Fred asked if anyone had follow up questions. No one responded

Fred asked Geoff if he had heard anything about Yarmouth Golf and he responded that no decision has been made yet.

Fred asked to board to spread the work that there will be 2 vacancies on the Golf Committee starting in July.

**MOTION TO ADJOURN duly made BY Richard Aliberti SECONDED BY Ron Matros**
