### Act on Minutes from the January 12<sup>th</sup> 2021 meeting

Motion duly made by Ron Matros to approve the minutes of the January 12<sup>th</sup> 2021 seconded by John Cookson Roll Call Vote: All in favor

### Director of Golf Report- Bruce McIntyre

-We finalized the RFP for the Hyannis Golf Course Restaurant with David Anthony and the legal department and it was posted February 1<sup>st</sup>. To date we have had 3 interested parties that have had the opportunity to tour the facility and ask any questions if needed. The earliest we may have a new restaurateur open for business could be April 1<sup>st</sup> and the latest possible date could be May 1<sup>st</sup>. Susanne expressed concern about having water in place for customers. Bruce addressed her concerns and explained we will have water and potential snacks available in the pro shop once we open again after the snow melts. John Cookson asked about details on the RFP, topic discussed.

Bruce went over the meeting he had with Chris, Madeline and Mark Mile to discuss the supplemental appropriation for FY 2021 and the FY 2022 budget. The meeting went well and we are confident that we will be getting the funding for 2021 to cover seasonal staff issues we are facing due to covid cleaning requirements. Unfortunately we also learned that the cart path project will not be part of the 2022 budget.

This past Thursday February 4<sup>th</sup> we hosted a blood drive at Hyannis Golf Course along with Cape Cod Healthcare and the Barnstable Police department. It was completed booked with 22 units of

blood being collected in total. We also had a visit from State Representative Steven Xiarhos with food donations for all donors and staff in attendance for the blood drive. We will be hosting another event on April 1<sup>st</sup>.

Eversource will be starting in early March to do the pole addition they have had planned for a couple of years now that is going through the Hyannis Golf Course. This should cause minimal interruption to our business with hope of them finishing by the 21<sup>st</sup> of April.

The Barnstable Golf tournament schedule is almost complete for the 2021 season you should see them posted soon.

#### Maintenance Report- Bruce McIntyre

-The seventh hole at Hyannis is near completion with a total of around 63 trees taken out. This has really changed the hole to make it more playable and turf conditions will improve from tee to green. Mechanics are still doing the winter work needed to get all the equipment ready for the spring. We have also purchased machine that can make decals for the golf course hole signs we hope to have up this spring. This past storm 3 of our employees who stepped up to help plow for the Town of Barnstable were busy plowing for the snow and ice division.

Bruce went over the financial report that was sent out and pointed out we are still in good shape to make our numbers. We will be sending out reminder emails for annual passes and the contest deadline.

Geoff Converse asked about the CPC funding and how the course will receive it. Bruce went over how it will work with Town Council; topic discussed.

Susanne expressed disappointment with the cart paths not being included in the FY 22 budget and asked if any problem areas can be fixed. Bruce explained we may be able to have DPW help with the proper machines. Susanne asked about carts also and if we can allow 2 riders per cart. Bruce reported that the state has allowed two riders per cart and we will allow a max of 2 carts per foursome. Susanne asked about the \$37k supplemental appropriation; topic discussed.

John Cookson asked about the restaurant lease at Olde Barnstable. Bruce explained this is Bills last year of his contract and a new RFP will have to go out at the end of the season.
