Officer Gallant provided a review of the selection process for the decoy. Meetings, review material, guidelines are reviewed. The goal is for the businesses to pass these operations. We take pride in what we do.

Officer Gallant proceeded to explain details of the transaction. Very crowded at the Market, he did have a purchase. The manager was informed. We do review past history; this business does have past history in the last 3 years.

Additionally spotters have been added to the process. Requesting that the market can remain open if there is a suspension which we are expecting. Mr. Decker asked about second offenses. Typically 5 days with 2 to serve.

Licensing Division Updates:

1. **Licensing Department updates-** Seasonal population increases will be done by the Town Clerks office. Two locations regarding the lemon law, Balise and Hyannis Honda had less than 100% compliance. Motion that we send a letter to both entities. Periodic inspections; possible show cause. Board of Health smoking policy was distributed.
2. **Police Department updates-** Ten Pin Eatery altercation on Halloween, 3 criminal charges were given. The Ten Pin Eatery management was extremely helpful. The security systems have paid dividends. Expressed frustration with the compliance checks process, vow to do better in 2019. Lt. Murphy wants to meet with the ABCC. Additionally, not do these tests over 2 days, are they valid? Compliance checks take place over the entire year; advertise accordingly.

The meeting was adjourned at 10:26 AM
