**Liaison's Report** – Joe O'Brien stated Barnstable Little League's work on the field is almost done. All things look like a go for 2015. Discussion followed.

Richard Sawyer stated we had a CPC meeting a week after our last Recreation meeting, had a presentation of a letter of intent in the amount of \$884,000 for the JFK Memorial, coming out of Recreation. I was very much surprised by this and had no knowledge, did anyone on the Commission know about this. No one on the Commission knew. Patti Machado stated is operated by the Trust Fund but it is recreational land, it was presented by the Trust Fund. Richard asked if there was any talk to keep Recreation out of the discussion. Patti Machado stated do not think it was deliberate or intentional; they are kind of their own entity, because they do their own fundraising and try to run it without town funds. With the 50<sup>th</sup> Anniversary coming up, they recognized that some extensive work is needed to keep it in good repair. Richard Sawyer stated the CPC Board sent them away requesting more information; their letter of intent was very vague. Richard stated he feels irrelevant, or that we are a necessary nuisance or that we are being bypassed. The Recreation Commission should be involved in this stuff, asking for a lot of money under the Recreation heading. Richard Sawyer stated to Patti Machado to convey my feelings. Patti stated she would. Discussion followed.

**Old Business** – Kevin Turner stated everyone received the email regarding sailing for adults. Patti Machado, Joe O'Brien and I meet with Ms. Scudder, Chair of Sail Cape Cod and Michael Murphy, Steward of the Hyannis Yacht Club to have a discussion about certification and adult/senior sailing. Kevin stated it is approximately \$500 to get one person certified, they would be able to teach others what they learned but not able to certify anyone. Will reach out through Deb Dagwan to see if there is anyway to get funding for this and how to go about it. Sail Cape Cod going forward is hoping to offer sailing for seniors and adults, but they want to be clear it is not a "cocktail cruise" that it is a sailing lesson. Not feasible or profitable at this time for us to offer senior/adult sailing but we could try to coordinate with Sail Cape Cod by offering a link through our website or brochure, it would offer our citizens an opportunity to learn sailing if they wish. Discussion followed. Kevin Turner stated Patti Machado will research and then move forward and update us.

**New Business** – Kevin Turner stated at next meeting get some clarification from Lynne Poyant on the conflict of interest rules. Richard Sawyer stated there is a form we need to fill out. Kevin requested the Commissioners to submit what other boards they serve on to him.

Motion made by Rene King to adjourn Richard Sawyer second; **Vote - all in favor.**
