SUBJECT: Constructing a new playground at the Barnstable Community Horace Mann Charter Public School

RATIONALE: The amount of \$60,000 from the CPA Open Space and Recreation funds will be used to support the construction of a new playground at Barnstable Community Horace Mann Charter Public School (BCHMCPS).

BCHMCPS is a kindergarten to grade three school with approximately 300 students, located next to the Hyannis Youth and Community Center in Hyannis. The proposed playground will be developmentally appropriate and handicapped accessible, designed with a “Nautical/Natural” theme. It will be approximately 81 feet wide by 100 feet long and will replace two playgrounds built more than two decades ago out of wooden materials that are now unsafe, including chemically treated wood.

The new playground will meet current safety guidelines and provide a variety of play structures that are essential to young children’s growth and development.

SUMMARY

TO: Town Council
FROM: Thomas K. Lynch, Town Manager
DATE: May 30, 2014
SUBJECT: Acquiring a .18 parcel on 659 Main Street, Hyannis for open space and recreation

RATIONALE: The amount of \$15,500 from the CPA Open Space and Recreation funds will be used to acquire a .18 acre of land located at 659 Main Street, Hyannis, shown on Assessors Map 308 as Parcel 136.

The property was the former site of Stones Antiques for many years and has frontage on both Main and South Streets across from the South Street cemetery. The acquisition cost is less than 10% of the \$172,900 assessed land value. The Stone family wishes to restrict the property to open space and the town plans to build a small “pocket park” at the site. Pocket parks are islands of vegetation in urban areas that help offset impacts from the man made environment and provide a visual break, adding color and texture to the landscape.

ITEM# 2014-182
INTRO: 06/12/14, 06/19/14

SUMMARY

TO: Town Council
FROM: Thomas K. Lynch, Town Manager
THROUGH: Jo Anne Miller Buntich, Growth Management Director
DATE: May 30, 2014
SUBJECT: Appropriation of \$200,000 for construction documents and constructing improvements to Veterans' Beach Park and acceptance of a grant.

BACKGROUND: The Our Common Backyards program criteria included a requirement that the park be located in or could be demonstrated to serve our Environmental Justice Community and that the park be dedicated as parkland. Two parks in Hyannis met those criteria Ridgewood Park and Veterans' Beach Park.

The Growth Management Department applied for and has been awarded funding from the Executive Office of Energy and Environmental Affairs Our Common Backyards Program for restoration of the playground area at Veterans' Beach Park in the amount of \$200,000. State program staff chose Veteran's Beach Park, which has been demonstrated to serve the Environmental Justice Community.

This program requires a \$75,000 match. This match is provided through the approved capital request for \$85,000 to repave the Veterans Beach Par parking lot.

This Park serves its neighborhood year round and hosts many visitors in summer. A sailing program, accessible beach amenities, and the Kennedy and other memorials enhance its attractiveness. In FY 15, DPW will engage in Site Master Planning for this Park, which will be coordinated with this project working within the required timeframe for grant fund expenditures before the end of calendar year 2014.

FISCAL IMPACT: As a neighborhood stabilization project, the restoration of this park will enhance property values in the neighborhood. Maintenance needs for playground improvements will remain similar to the existing operation

TOWN MANAGER RECOMMENDATION: The Town Manager recommends acceptance of this grant.

SUMMARY

TO: Town Council
FROM: Thomas K. Lynch, Town Manager
THROUGH: Jo Anne Miller Buntich, Growth Management Director
DATE: May 22, 2014
SUBJECT: Acceptance of grant from Executive Office of Energy and Environmental Affairs Coastal Zone Management Program

BACKGROUND: The Growth Management Department applied for and was awarded funding from the Executive Office of Energy and Environmental Affairs Coastal Zone Management Program to complete and submit the CRS application for the Town of Barnstable.

The realignment of the FEMA Flood Plain District Maps removed 246 properties from the Flood Plain. The number of buildings in the V and A zones increased while there was a decrease in those buildings in the X500 zone. In Barnstable County over 43% of policies are subsidized by NFIP putting the region in the top 1% of counties so subsidized in the US.

The grant award requires us to create a transferable product. We will create templates from the work we do in support of the application and conduct a workshop for other Cape communities on the application process. This aspect of the work will be conducted in partnership with the WHOI Sea Grant/County Extension

FISCAL IMPACT: Once the application is completed and approved by FEMA, NFIP policy holders will see a 5% reduction in their rates. The 5% reduction would apply to the approximately 1126 policies now in effect in Barnstable.

With a few more tasks, not too difficult to accomplish, we can increase that reduction to 10% in a phased approach.

ITEM # 2014-184
INTRO: 06/19/14

SUMMARY

TO: Town Council
FROM: Mark Milne, Director of Finance
DATE: June 9, 2014
SUBJECT: Transfer Order for FY14 Debt Service

BACKGROUND: When preparing the FY14 debt service budget back in the spring of 2013 the Town was anticipating on selling a bond in January of 2014 to finance the FY14 Capital Improvement Program. This issuance date would have resulted in the first interest payment on the bond to fall in July of 2014, or the FY15 budget.

During the early part of FY14, the Town, in consultation with its Financial Advisors First Southwest Corporation, realized an opportunity presented itself in the bond market whereby the Town could take advantage of a favorable bond market and avoid some anticipated market increases if it was to sell the bond in November of 2013 instead of waiting until January of 2014.

This course of action was pursued and the Town issued a \$6.2 million bond on November 13, 2013 which resulted in a very favorable interest rate of 1.587%. The first interest payment on the bond is due 6 months after the issuance date which makes it due in FY14 as opposed to the original budget plan for FY14 which anticipated this payment to be due in FY15.

FISCAL IMPACT: Funding for this transfer will be provided from the Employee Benefits budget. Expenditures for unemployment insurance have been less than anticipated and the funds will be transferred from this line item to cover the interest payment.

TOWN MANAGER RECOMMENDATION: The Town Manager recommends approval of the appropriation order.
