BARNSTABLE TOWN COUNCIL

ITEM# 2024-220

INTRO: 05/16/2024, 06/06/2024

SUMMARY

TO: Town Council
FROM: Mark S. Ells, Town Manager
THROUGH: Karen L. Nober, Town Attorney
DATE: May 16, 2024
SUBJECT: Amendment to the Administrative Code to designate the non-Councilor members of the Ad Hoc Committees created under Town Council Items 2024-166C and 2024-166D as Special Municipal Employees for purposes of the state Conflict of Interest Law

BACKGROUND: M.G.L. Chapter 268A, the state conflict of interest law, covers all municipal officials and employees, whether elected or appointed, paid or unpaid, full-time or part-time. However, in recognition of the need not to unduly restrict the ability of town volunteers and part-time employees to earn a living, the law is less restrictive for “special” municipal employees than for other employees.

Those who serve on unpaid part-time boards or commissions are considered a regular municipal employee unless the position has been expressly designated as having “special municipal employee” status by vote of the Town Council. It is the municipal position that is designated as having “special” status, not the person or persons holding the position. Two sections of the conflict of interest law apply less restrictively to special employees: Sections 17 and 20. All other sections of the conflict law that govern regular municipal employees apply to “special municipal employees” in exactly the same way.

Section 17 – Acting on Behalf of Others

Section 17 generally prohibits municipal employees from representing a private party or anyone else before municipal boards or departments. It also prohibits municipal employees from acting as agent or attorney for, or receiving compensation from, any private party in connection with any matter of direct and substantial interest to the Town.

However, if a municipal position has been designated as “special,” a person holding that position may be paid by others and may act as agent or attorney for others with respect to matters before municipal boards other than his own, as long as he has not officially participated in the matter, and the matter is not now, and has not within the past year been, under his official responsibility.

Section 20 – Restrictions on Having an Interest in Contracts with the Town

Section 20 generally prohibits municipal employees from having a direct or indirect financial interest in a contract with the Town, including having a second municipal job. This section has a number of exemptions, and there are two additional exemptions for special municipal employees.

ANALYSIS: Town of Barnstable Board, Committee, and Commission members have been classified by the Town Council as special municipal employees. By designating the members of the recently created ad hoc committees as special municipal employees, the Town would be consistent in how it classifies its volunteer board members for purposes of the conflict-of-interest law. Furthermore, designating the unpaid members of Town boards as “specials” encourages those who wish to serve on such boards by not placing undue restrictions on their ability to earn a living.

FISCAL IMPACT: There is no fiscal impact.
