

LEISURE PROGRAM/ADSFC

REGISTRATION IS POSTPONED TO

MAY 4, 2021

Due to our children heading back to school, (in-person and full time), as well as the increase in vaccinations, we see a brighter summer may be headed our way!!! We are postponing our LP/ADSFC (Leisure Program/ All Day Summer Fun Club) Registration in the hope that regulations become less restrictive between now and the start of the program. We are hoping that we will be able to go on a few outings this summer! Our fingers are crossed! In the meantime, we will wait for more guidance and postpone our registration to May 4, 2021. By that time we are hoping to have a clearer picture of what the summer program will look like this year. Thanks for your patience in the process!
