**Find out what's going on in the newest issue of THRIVE!**

### COMMUNITY RESOURCES

#### RESPITE PROGRAMS WITH STACEY GULLEN

The Barnstable Council on Aging is sharing our community resources for aging in place. The program will cover local aging agencies, SHINE, caregiver needs, nutritional supports and much more.

Wednesday, July 24 (10:00 AM - 11:00 AM) Centerville Library

### Intergenerational Program

*“Alzheimer’s does have a big impact on every member of the family, including children. Each child will react differently to someone who has the disease. The young people in your life might have questions about what is happening. It is important to answer these questions openly and honestly. It will also help to share with them the changes the disease might bring, now and in the future.” -Alzheimer’s Association Intergenerational*

#### Story Time

Please join the BCOA for an extraordinary story time about love, family and memory loss.

The Remember Balloons written by Jessie Oliveros and illustrated by Dana Wulfekotte is a Schneider Family Book award winner. This touching and poignant story gives a sense of value to those with memory impairment and provides a connection for the family members affected. A family member’s dementia influences the entire family, including children. Parents might want to shield young children from the reality of their loved one’s condition, but it is best to broach the topic with them soon after the diagnosis. Children are often able to sense tensions in family dynamics arising from your loved one’s diagnosis of dementia and may be able to adjust to these changes if they are informed. In 2023, the Friends of the BCOA generously donated a copy of this book to each of our local libraries. Thursday, July 25 (10:00 AM - 12:00 PM) Osterville Library
